New Way of Life Halfway House

New Way of Life Blairsville is a licensed halfway house for justice involved men who are looking for a stable recovery program during their transition from inpatient treatment and/or incarceration to independent living.

- 30 bed facility located in Blairsville, PA
- Licensed by the Pennsylvania Department of Drug and Alcohol Programs
- Serves men 18 years and older who meet ASAM 3.1, Clinically Managed Low Intensity Residential Treatment admission criteria
- MAT (Medication Assisted Treatment) induction or continuation available
- Transportation available from anywhere in the Commonwealth

"Together Building a New Way of Life"

- Clinical programming includes Cognitive Behavioral/Motivational Enhancement techniques, rooted in a 12-step recovery model to support long term behavior change
- Group therapy curriculums address criminal thinking, relapse prevention skills, substance abuse education, healthy supports and relationships, communication skills and prosocial behaviors
- Home-like recovery environment using a three-phase program, allowing for increased independence and employment while prioritizing sustained sobriety
- Use of Greenspace, an evidence-based assessment to monitor progress and help direct treatment

Life Skills Education

- Curriculum is designed to teach skills and build on strengths for long term recovery and successful transition into the community
- Staff includes a full-time Life Skills Coordinator, Case Manager and CRS (Certified Recovery Specialist)
- Workforce Development classes to teach residents how to gain and sustain employment. Facility partners with local employers to facilitate job placement
- Money Management to learn how to budget finances
- Learning to communicate in a healthy way with family, children and peers. Parenting classes available if appropriate
- Peer supports both in and out of the program

Visits

Family therapy sessions are welcomed and encouraged for best treatment outcomes. Days/hours vary based on availability.
